Dear Patient,

This letter is to keep you informed of the policies regarding your payment responsibilities.

As a patient of Be Well Natural Health Clinics you are responsible for the total charges incurred from each visit to your practitioner. Charges are to be paid at the time of each visit.

We recognize and appreciate that health care can involve major financial commitment. We aim to provide you with effective and affordable health care.

Visa, MasterCard, Discover, American Express, Checks and Cash are all acceptable forms of payment.

For insurance companies that cover alternative and complementary services we will assist you in billing your insurance company. Please remember that you have the primary relationship with your insurance company and you are responsible for the total amount owed at the time of your visit. We will provide you with the appropriate super-bill with the appropriate codes needed for you to be reimbursed by your insurance company. You will need to mail the super-bill provided to your insurance company and your insurance company will reimburse you for all the amounts covered. Before your first contact your insurance company or refer to your insurance contract agreement regarding coverage for Alternative and Complementary medical services. Items to note are: 1)the service is covered, 2)for which diagnosis is covered, 3) how many visits are allowed per calendar year, 4) the amount of your deductible, 5) are there any limitations. Answers to these questions will help clarify treatment and financial responsibility.

Patients will be billed a missed appointment fee for any missed appointment or cancellation with less than a 24 hour notice. This charge will not be submitted to your insurance.

Payment for all pharmacy items is due at the time of the visit. Most insurance companies do not cover Naturopathic pharmacy items.
